SEED ORDER INFORMATION SHEET

Due to the increase in corn activity throughout Canada and the United States, the demand for corn seed is very strong.

In order to ensure seed availability for 2008, please consider placing an order for your CanaMaize seed as soon as possible.

USE THE GUIDE BELOW TO DETERMINE THE AMOUNT OF SEED YOU REQUIRE. FAX OR MAIL THIS SHEET BACK OR CALL TOLL-FREE TO PLACE AN ORDER AND RECEIVE MORE INFORMATION

Rule of thumb to determine amount of acres needed:

1 acre provides 200 grazing days (ie. 1 acre feeds 200 cows for 1 day). To find out how many acres you require, fill out the formula below:

_____ (# of cows) x _____ (# of days) / 200 = _____ acres
